Scholarship Application

Intention:

The Scholarship Opportunity Fund was established to provide support to individuals with developmental disabilities, their families and Arc volunteers to attend trainings, workshops, conferences and other educational opportunities in the developmental disability field.

Applications will be received throughout the year, but will be limited to one application per individual, volunteer or family in a calendar year (January through December).

Each application will be considered individually and a scholarship amount will be awarded based on the request and financial need of the person applying. Funding availability is based on the amount of interest income the designated funds have earned during the previous calendar year. Each year the amount available will change. If the scholarship fund account is depleted during a specific year, additional scholarship applications will not be considered for that year.

Application Process:

1. Submit a scholarship application at least 4 weeks prior to the workshop you wish to attend. Forms can be picked up at The Arc office or electronically by email at: mail@thearcblair.org.
2. A scholarship committee, chaired by a member of the Board of Directors of the Arc, will review the request. All requests will be considered for approval or denial based on information on the application and the funds available per fiscal year.
3. If the review committee approves your application, a check for the amount requested will be written to the name of the organization sponsoring the training. In the case of mileage reimbursement or other eligible items, proof of attendance will be necessary before reimbursement approved.
4. Applications are limited to one scholarship per year individual, family or volunteer.

The Arc of Blair County Scholarship Application

Date of Application: _____

Name: _____

Address: _____
