ALTO-RESTE PARK

<https://alto-reste.com> 814-944-0879

Alto-Reste Park, one of the most beautiful cemeteries in Pennsylvania, has approximately 85 carefully developed acres in the over 325 acre park-like setting. Located on the edge of one of the most beautiful valleys in central Pennsylvania, the name "Alto-Reste Park" is particularly appropriate, since no matter how the suburbs of Altoona develop, nothing can impair the natural character of the property, which is materially enhanced by several acres of very attractive woodland.

The thoughtfully designed and meticulously maintained green, rolling hills provide a serene resting place for over 15,000 people. Alto-Reste Park offers cemetery lots, veterans sections, mausoleum complexes, a chapel, and is the first cemetery in Blair County to have a beautiful funeral home on location. (see link below) The entire staff is dedicated to providing families with compassion and understanding as they select a burial estate for their loved ones. At Alto-Reste Park, we take pride in being the guardians of your family's heritage.

We are the only cemetery in the area with a Funeral Home on site
